

CENTRALE 7

more than rugby

The Tournament

Since 2005, more than 300 players, from the whole world, meet every year in May, on the field of the Ecole CentraleSupelec to take part in the best academic 7's rugby tournament. This year, the tournament will be held on the new campus, at **Gif-sur-Yvette**.

Organized by a team of more than 50 students, this event, more than a rugby tournament, allow all the student on the campus to witness a rare show.

Last year, 12 male and 10 female teams met during the tournament, coming from countries such as Fiji, China, South Africa or Ukraine.

The place

The **CentraleSupelec** school is one of the best engineering school in France. The Centrale Sevens is taking place on the campus, where the 2000 students and the rugby fans can attend the show for free.

The school is located near the capital so you will be able to visit **Paris** and its most famous places such as the Eiffel Tour, the Louvre and Montmartre.

The new edition

For its 14th edition, the tournament will be held from **22th to 24 May 2018**. Like every year, the players will stay near the school and its rugby field. The teams will be accommodated and fed for free during the tournament.

More Than Rugby

The **TeamRoom** located in the center of the campus will provide rest and recreation to the players during all the tournament. Videogames, babyfoot, table tennis, bicycles, refreshments and more will be free to your disposal.

You will also be able to watch the CentraleSevens games in **direct live** in this room.

During the tournament, our physiotherapists will be there for you, near the field. We will also provide cryotherapy and bicycles to help the players recovery.

Such as in World Series tournaments, our band will play near the field to support the teams. There will also be cheerleaders shows on the field between the games. Therefore **« Centrale Sevens is more than Rugby »**.
